

How to find Stroma Technology...

6 Silkwood Business Park, Fryers Way
Wakefield WF5 9TJ - **0845 621 22 22**

Directions

From the North (M1)

Travelling southbound, leave the M1 at junction 40 and keep left, following signs for the A638. Take the first left onto Albert Drive. At the roundabout, turn right taking the second exit onto Fryers Way. Continue along Fryers Way and take the first left. Stroma Technology is located to the right, at the far corner of the carpark.

From the South (M1)

Travelling northbound, leave the M1 at junction 40 and take the 3rd exit, following signs for the A638. Take the first left onto Albert Drive. At the roundabout, turn right taking the second exit onto Fryers Way. Continue along Fryers Way and take the first left. Stroma Technology is located to the right, at the far corner of the carpark.

From the South (A638)

Travelling northbound turn right at the car dealership onto Goldsmith Avenue. Continue to the roundabout and take the first exit onto Albert Drive. Take the first exit at the next roundabout onto Fryers Way. Continue along Fryers Way and take the first left. Stroma Technology is located to the right, at the far corner of the carpark.

From the North (A638)

Travelling southbound, continue straight over the motorway, taking the second exit off the roundabout. Take the first left onto Albert Drive. At the roundabout, turn right taking the second exit onto Fryers Way. Continue along Fryers Way and take the first left. Stroma Technology is located to the right, at the far corner of the carpark.

Nearest train station: Wakefield Westgate, Wakefield Kirkgate

Stroma Technology moved offices in July 2013 from:
Stroma Head Office: 4 Pioneer Way, Castleford, WF10 5QU
